

Gallery Bells™ Assembly Instructions

1. Materials: Cup, lid, straw, (string, paperclip, blade)

2. Cut an "x" in center of cup base.

3. Carefully remove straw from its wrapper.

4. Insert straw through lid and into "x" slot in the bottom of the cup.

5. The lid should hover 3-4 inches above the surface of the bottom of the cup, supported by the straw.

8. Take the straw wrapper and compress it by rubbing between your palms.

6. Feed string through straw until it comes out through the bottom end.

9. (...)

10. Leave a little "ball" at the bottom end of the compressed straw wrapper.

7. (...)

11. At the end of the string sticking out of the straw bottom, tie a small knot and stick the safety pin through it.

12. Now stick the safety pin through the thin end of the compressed straw wrapper.

13. (...)

14. Pull string up until the safety pin stops at the base of the straw. Tie the top of string to support and hang the Gallery Bell™.
